

**PRESS RELEASE**

**FOR IMMEDIATE RELEASE**

**LINGO MEDIA'S ELL TECHNOLOGIES SIGNS  
DISTRIBUTION AGREEMENT WITH WARP WORLDWIDE**  
*EXPANDS PRESENCE IN CHINA EDUCATIONAL INSTITUTIONS*

Toronto, Canada, June 28, 2018 - **Lingo Media Corporation** (TSX-V: **LM**; OTC: **LMDCF**; FSE: **LIMA**) ("**Lingo Media**" or the "**Company**") a global provider of digital English language learning solutions is pleased to announce that its wholly-owned subsidiary, **ELL Technologies Ltd.** ("**ELL**"), has signed a distribution agreement with WARP Worldwide ("**WARP**"), a global EdTech company dedicated to providing lifelong K-12, college-level and professional online learning, hybrid courses and creating opportunities for international cultural education for learners of all ages.

Under the agreement, WARP will be marketing, distributing and selling ELL Technologies' full product suite of English language learning products and programs in China.

"We are excited to be working alongside our new distributor WARP as we continue expanding our footprint in China," said Gali Bar-Ziv, COO of Lingo Media. "The market opportunity and demand for English language learning continues to grow in China and we remain committed to increasing our sales coverage."

Grace Arp, President of WARP Worldwide, went on to say "WARP is proud to add ELL as a partner. Designed around CEFR standards, their English language learning products will help WARP make world-class North American educational opportunities and services even more accessible to our members and partners."

**About WARP Worldwide**

Online Learning and Real-World Experience to Enhance your Life at Home and Abroad

WARP Worldwide is a global Technology and Education company dedicated to providing lifelong K-12 and college-level e-Learning and hybrid courses, professional development programs, and opportunities for international cultural education and exploration for learners of all ages. WARP develops these opportunities by partnering with global companies and educational institutions sharing similar ideals around the world. Today, every business is a global business and every person is a global citizen. Let WARP help you fulfill your global potential!

**About Lingo Media**

Lingo Media is a global provider of best-in-class digital and print-based English language learning solutions that are 'Changing the way the world learns English'.

Developed for learners of English at every level, Lingo Media's ELL Technologies products combine a vast content library with proprietary technology. ELL Technologies' intuitive dashboards enable students to track and manage their progress, and allow teachers to organize and interact with students, providing ongoing support. Lingo Media's Lingo Learning division is a print-based publisher of English language learning programs in China.

Lingo Media's product and program are marketed through established sales channels to key education, government and business organizations in Latin America and China and continues to extend its global reach and expand its product offerings.

Portions of this press release may include "forward-looking statements" within the meaning of securities laws. These statements are made in reliance upon Sections 21E and 27A of the Securities Exchange Act of 1934, which involve known and unknown risks, uncertainties or other factors that could cause actual results to differ materially from the results, performance, or expectations implied by these forward-looking statements. These statements are based on management's current expectations and involve certain risks and uncertainties. Actual results may vary materially from management's expectations and projections and thus readers should not place undue reliance on forward-looking statements. Lingo Media has tried to identify these forward-looking statements by using words such as "may," "should," "expect," "hope," "anticipate," "believe," "intend," "plan," "estimate" and similar expressions. Lingo Media's expectations, among other things, are dependent upon general economic conditions, the continued and growth in demand for its products, retention of its key management and operating personnel, its need for and availability of additional capital as well as other uncontrollable or unknown factors. No assurance can be given that the actual results will be consistent with the forward-looking statements. Except as otherwise required by US Federal securities laws, Lingo Media undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changed circumstances or any other reason. Certain factors that can affect the Company's ability to achieve projected results are described in the Company's filings with the Canadian and United States securities regulators available on [www.sedar.com](http://www.sedar.com) or [www.sec.gov/edgar.shtml](http://www.sec.gov/edgar.shtml).
